Customer Reviews

The first time when I got the piece, I found that there's missing pages on the flute part. Then I contact them, they gave me feedback right away and want to mail me another new one. I got it so quickly beyond my thought. Wow, what a excellent job they did. There's not much this kind of good service you can experience nowadays. So, buy their product and you won't disappointed.

We expected to receive 2 pieces, both the flute music and the piano music. The flute part is shown on the piano music but this is not what you normally receive when ordering a flute and accompanying piano part. Will have to reorder from a different company.

This piece is a staple of my flute repertoire. It is a fun and exciting beyond belief! If you are a proficient or advanced player (College or beyond) this is a good choice for you! However, the very front of my piano score has a typo- instead of "Burton" it says "Burdon". It's not a problem, but I found it funny; everywhere else in the flute/piano scores says "Burton". Also- was shipped well, had no issues with it.

Hotseller. Beautiful expansive, lyrical flute at one of its finest. Better than Copland's DUO imo. In 3 movements. First movement is reasonably easy - great for beginners practising simple vibrato & beautiful tone when one wants a break from Syrinx.
