## Synopsis

Helen Zimmern translation. Show Excerpt ting that all philosophers, in so far as they have been dogmatists, have failed to understand women--that the terrible seriousness and clumsy importunity with which they have usually paid their addresses to Truth, have been unskilled and unseemly methods for winning a woman? Certainly she has never allowed herself to be won; and at present every kind of dogma stands with sad and discouraged mien--IF, indeed, it stands at all! For there are scoffers who maintain that it has fallen, that all dogma lies on the ground--nay more, that it is at its last gasp. But to speak seriously, there are good grounds for hoping that all dogmatizing in philosophy, whatever solemn, whatever conclusive and decided airs it has assumed, may have been only a noble puerilism and tyronism; and probably the time is at hand when it will be once and again understood WHAT has actually sufficed for the basis of such imposing and absolute philosophical edifices as the dogmatists have hitherto reared: perhaps some popular superstition of imm --This text refers to the Paperback edition.

## Book Information

Audible Audio Edition

Listening Length: 8 hoursÂ andÂ 24 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Naxos AudioBooks

Audible.com Release Date: January 26, 2009

Best Sellers Rank: #69 inÂ Books > Audible Audiobooks > Nonfiction > Education #148 inÂ Books > Audible Audiobooks > Nonfiction > Philosophy #2069 inÂ Books > Politics & Social Sciences > Philosophy

## Customer Reviews

Love the very large pages, even though there is a minute amount of space on the margins the large page size allows for detailed annotation without overcrowding of the page. The covers also have a rich velvet feel, though the design is a bit pixelated. Overall a perfect purchase for the price, especially if you'll be writing all over it and bending the pages around.

Friedrich Nietzsche is indeed a book that is for broad thinkers and with open minds. He is very challenging.

I found this very revealing.

This is NOT the Walter Kaufmann translation as implied by being linked to the Kaufmann paperback edition.

Loved the book, hated the presentation, cheap made..

This is one of my all time favorite books by Nietzsche. The ideas in it and the range of item analyzed and covered are well worth the price of this book.

As a new customer I was rather apprehensive of purchasing online in general. Many older users are apprehensive. However, the process was easy and quick. The overall appearance of Nietzsche's Beyond Good and Evil brand new, which I appreciate. Look forward to reading. I hope this helps any new online shoppers.

Nietzsche does not disappoint. Neither does the condition of this book. I do wish it were hardcover.
