I'm officially addicted to this series of boardbooks/flap books!! Great pictures! Great topics! Great format! Best of all, kids LOVE them(& so do adults!)

Baby likes some of the books, but the travel one has polka dots on so many surfaces (that would not usually have polka dots on them) it becomes difficult to tell items apart. The bath book is very sweet - When baby made the connection, it was a cute moment :)

Fun and cute!

Always a hit for a baby gift.
