Whether visiting Singapore for business, pleasure or just stopping over for a night or two, Singapore Day By Day offers visitors the opportunity to sample multiculturalism in all its exotic facets â “soak up the history of the Raffles Hotel while sipping a Singapore Sling, hit the TK hawker centre to sample local delicacies such as chilli crab or Hainanese chicken, shop til you drop in the myriad malls on Orchard Road, or take part in one of the many festivals held in this bustling destination. See the Lion City up close and personal as you stroll through Chinatown, Kampong Glam, Little India and Joo Chiat, and get back to nature with a cycle ride through East Coast Park. Also includes coverage of out of town destinations such as Bintan, Tioman Island and Pulau Ubin. Voted the top

business destination by Asian readers of TIME magazine in 2005 for the 5th year in a row, Singapore Day By Day enables business travelers with limited time to still enjoy everything the city has to offer. As a major international transit hub, the Day By Day is the perfect guide for travelers staying for one or two nights. Tourism to Singapore is on the rise, with a total of 10.3 million visitors heading there in 2007, up 5.5% from the previous year. Singapore's superb infrastructure, state-of-the-art technology, excellent telecommunications and world-class venues, combined with a unique cultural heritage, make it a popular choice for international business conferences and events in the Asian region, and the Singapore Tourism Board has launched an aggressive campaign to attract international businesses to its shores.

Heide Sarna has written hundreds of magazine, newspaper and web articles, as well as several guide books. Sarna has been quoted as a travel expert in USA Today, The New York Times and a number of other publications. She's been featured on the Travel Channel and interviewed on a number of radio broadcasts. Sarna is now based in Singapore.

Perfect little guide with very useful information, clear maps and nice small pictures. I loved the neighborhood walks. Includes a foldout MRT map.

An excellent guidelbook for Singapore

When I travel I always have one of these Frommer's guides with me, love the laminate pull out maps too!

best pocket guide for Singapore. Arrived in great condition.

We used this book to guide us through a 6 day trip to Singapore in December 09-January 10 and found it very useful. The guided neighborhood and park walks were very well done. A suggestion to the author for the next edition: Expand the one-page on Hawker Food Centers to a mini section with a map. After all, most of the tourist experience in Singapore revolves around food!

I wanted a small guidebook that I could easily carry in a pocket. It looks perfect for that. (I have not made my trip yet.) It also has a map that can be taken out. On previous trips, using other guidebooks, I tore map pages out of the books I had for each day's touring. It's only shortfall

appears to be that hotel information is pretty limited, but, there are other options (internet) for checking out lodging options. Also, since it is a limited book, it appears to be best for a short stay of several days only.

We picked this book up on a lark before a trip East and found it very useful and well written. We'd recommend to anyone heading to Singapore!
