A Hairstylist's Approach To Winning The Head Lice War.: What Really Works!

Synopsis

Has Head lice been a nuisance in your home? Are you ready to have your life back? If the answers to these questions are yes, then this is a must read. I am Susan Rudolph and have practiced in the hair care industry for many years. During my career I have been unfortunate to contract this ugly disease on more than one occasion. Though these were very trying times, I managed to defeat "super lice", When you have tried everything available on the market, and tried prescription medications that offer no help, you may begin to lose faith. I have developed a regimen to treat this horrible disease that works for once and for all. I am not trying to sell you concoctions. What I am selling is information that will win your life back! You could potentially describe it as a recipe. Make today the first day of the rest of your new life! Good bye head lice.
