Bought for my daughter to add to her Colfer books. Hes very talented. She loves all his books and has been a fan since he was getting slushied on Glee.

Hilarious!

I laughed, I cried, it was an awesome ride. Also I loved all the diversity included in this book, I've never come across with such different people being friends.

Quick read. Great coming of age story.

I really enjoyed this book.

I love this book! Chris Colfer is an amazing writer and actor. :) A must read.

Great coming of age story of acceptance.

If you are a Chris Colfer fan this is a must read. But most importantly it is a great insight into what it's like to grow up in the spotlight. But still not let the fame consume you and be true to who you are, be humble & keep it down to earth.
