Sweet Melissa: Destination Unknown (Book Four 4)

Synopsis

HEROIN ADDICTION, THE LIFESTYLE, THE RECOVERY You better be careful of what you wish for. That hunger, that craving, that need. That longing, and that fulfillment of satisfaction. It just might turn your life, into a living hell. At the very best, your worst nightmare. I so desperately wanted to be loved, accepted, and appreciated. I wanted to fit in. Somewhere. Anywhere. My self-esteem had dwindled down to nothingness. My fear of rejection, kept me at rock bottom. I thought Johnny was the one, that could fulfill my every dream, and my heart's desire. The one who would make everything right, and make everything bad go away. Just simply, disappear. I thought that living without him, would certainly bring me to an early demise. The loneliness and depression, had only made me more vulnerable. I was drowning within my own identity, at a rapid pace. My entire existence was controlled by drugs, and my hunger for love. Any rational thoughts were, dominated, defeated, and paralyzed by another entity. Where, was I heading? Which way should I turn? Was there any chance, of returning to my former self? Possibly a better version, of my former self? Only time would tell. Book Four of the Sweet Melissa memoir series, continues with, Destination Unknown. This is an inspirational read geared towards the young adult audience, or anyone suffering from substance abuse or addiction.
