# The Art Of Misdiagnosis: Surviving My Mother's Suicide

## Synopsis

Award-winning novelist and poet Gayle Brandeisâ™s wrenching memoir of her complicated family history and her motherâ™s suicide. Gayle Brandeisâ™s mother disappeared just after Gayle gave birth to her youngest child. Several days later, her body was found: she had hanged herself in the utility closet of a Pasadena parking garage. In this searing, formally inventive memoir, Gayle describes the dissonance between being a new mother, a sweet-smelling infant at her chest, and a grieving daughter trying to piece together what happened, who her mother was, and all she had and hadnâ™t understood about her. Around the time of her suicide, Gayleâ™s mother had been working on a documentary about the rare illnesses she thought ravaged her family: porphyria and Ehlers-Danlos syndrome. In *The Art of Misdiagnosis*, taking its title from her motherâ™s documentary, Gayle braids together her own narration of the charged weeks surrounding her motherâ™s suicide, transcripts of her motherâ™s documentary, research into delusional and factitious disorders, and Gayleâ™s own experience with misdiagnosis and illness (both fabricated and real). Slowly and expertly, *The Art of Misdiagnosis* peels back the complicated layers of deception and complicity, of physical and mental illness in Gayleâ™s family, to show how she and her mother had misdiagnosed one another. Gayleâ™s memoir is both a compelling search into the mystery of oneâ™s own family and a life-affirming story of the relief discovered through breaking familial and personal silences. Written by a gifted stylist, *The Art of Misdiagnosis* delves into the tangled mysteries of disease, mental illness, and suicide and comes out the other side with grace.

## Customer Reviews

âœBrandeisâ™s emotional struggle to truly understand her mother is searing and poignant. A

uniquely graceful, gorgeously written and composed collage of grief, misunderstanding, love, and an attempt at familial closure through art and prose.â •â "Kirkus Reviews, Starred Reviewâ œThis book broke my heart and then knit it back together. Itâ ™s a generous, loving, and beautiful portrayal of the most painful experience a daughter could have.â •â "Ayelet Waldman, author of *A Really Good Day*â œJohn Cassavetes offers this: â ^When a character canâ ™t find his way home, thatâ ™s where the story begins...â ™ Gayle Brandeis begins her story where it ends, then slowlyâ "thoughtfully, painfully, lovinglyâ "works her way back. It all circles around a handful of days, where everything happensâ "birth, death, truth, transformation. We tumble along with her, sometimes lost, sometime home, seeming to encounter insights as they happen, as she encounters them. This book is a revelationâ "you can feel it in your body.â •â "Nick Flynn, author of *Another Bullshit Night in Suck City*â œIn her gorgeous and unforgettable memoir, *The Art of Misdiagnosis*, Gayle Brandeis captures the unruly mess and terrifying beauty of family love. With breathtaking honesty, she uncovers clues, exhumes long-buried secrets, and searches for meaning in the aftermath of her motherâ ™s suicide. A profound meditation on illness, healing, and the luminous chaos of the human heart. It is one of the most moving and thought-provoking memoirs I have ever read.â •â "Alice Eve Cohen, award-winning author of *What I Thought I Knew* and *The Year My Mother Came Back*â œGayle Brandeis dances on the edge of memoryâ ™s razor: both candid and eloquent, *The Art of Misdiagnosis* never fails to cut down to the truth. I was both moved and enlightened by this unflinching memoir.â •â "Linda Gray Sexton, bestselling author of *Searching for Mercy Street: My Journey Back To My Mother*, *Anne Sexton and Half in Love: Surviving The Legacy Of Suicide*â œGayle Brandeis is one of the smartest and most compassionate voices in nonfiction today. Her insights about how we live as women, as mothers and daughters, and as human beings cut straight to the heart. Everyone needs to read her.â •â "Hope Edelman, internationally bestselling author of *Motherless Daughters*â œDeeply compassionate, and breathtakingly brave, Brandeisâ ™ memoir is a raw, unflinching trip down a rabbit hole, unspooling both the chaotic life of her mentally unbalanced mother, and how her motherâ ™s obsession with physical illness crash-landed Brandeisâ ™ own lifeâ "and healthâ "from girlhood to marriage and motherhood. About the stories we desperately need to make of our lives in order to survive, and how the body sometimes speaks what the mind dare not, this is also an extraordinarily moving portrait of a troubled mother, and of the daughter who fearlessly, poetically, writes her way into discovering her truest self. Truthfully, I am in awe.â •â "Caroline Leavitt, New York Times Bestselling author of *Is This Tomorrow* and *Pictures of You*â œRiveting, insightful and beautifully written, this memoir kept me up all night.â •â "Christina Baker Cline, New York Times Bestselling author of

Orphan Trainâ œThe Art of Misdiagnosis is Gayle Brandeisâ™ masterpiece, and it reads with the urgency of a literary thriller. Here Brandeis delves into the liminal placeâ "between life and death, between psychosis and sanity, between love and guiltâ "with a poetâ™s heart and a detectiveâ™s courage. If youâ™ve ever watched someone you love unravel, or if youâ™ve asked the echoing â "why?â™ of suicide, youâ™ll find home in these pages.â •â "Ariel Gore, author of The End of Eve

Gayle Brandeis is the author of *Fruitflesh: Seeds of Inspiration for Women Who Write* and the novels *The Book of Dead Birds*, which won the Bellwether Prize for Fiction of Social Engagement (judged by Toni Morrison, Maxine Hong Kingston, and contest founder Barbara Kingsolver), *Self Storage*, *Delta Girls* and *My Life with the Lincolns*, which received a Silver Nautilus Book Award and was chosen as a Read on Wisconsin pick, as well as a collection of poetry, *The Selfless Bliss of the Body*. Her essays, poems and short fiction have been widely published and have received numerous honors, including a Barbara Mandigo Kelly Peace Poetry Award, the QPB/Story Magazine Short Story Award, and a Notable mention in *The Best American Essays 2016*. She teaches in the low residency MFA programs at Antioch University, Los Angeles and Sierra Nevada College, where she was named Distinguished Visiting Professor/Writer in Residence. Gayle served as Inlandia Literary Laureate from 2012-2014 and was called a Writer Who Makes a Difference by *The Writer Magazine*.
