Rachel Jackson Adams and Jasmine Larson Bush are both ministers wives and their husbands have been nominated for the African Baptist Coalition. The ABC is one of the largest organizations of the African American churches and Rachel and Jasmine want to be First Lady of the ABC by any means necessary. Rachel and Jasmine both have tricks up their sleeves to make the other look bad. These two women will do anything to get their husband elected.....Rachel and Jasmine both have some dark secrets. The book is awesome.....Keep up the good work and may God continue to bless and keep you.

This story is truly about tit for tat. You have two "First Ladies" - Jasmine and Rachel whose husbands are God-fearing men that are after the same thing - Power and Prestige. This story will have you on the edge of your seat, shaking your head and saying DANG! After both of their

husbands are nominated to run for President of the American Coalition, these ladies take off the kid gloves and go tit for tat both believing their husband is the best candidate to run one of the largest religious organizations. So, who do you think will win - Street-Smart Rachel or Book-Smart Jasmine? Believe me it comes down to the wire and it's a ride like none other. If Rachel gets one in on Jasmine, believe me, Jasmine throws a serious gut punch. Do things go too far - I'd say so. Afterall, they are God-fearing ladies - right? But, hold on, is there someone else waiting in the wings and enjoying the rivalry for self gain? Trust and believe, you won't want to put this one down until the last page. I couldn't swipe my Kindle fast enough. The story is quite amusing, because real First Ladies would never act like this (with my eyes bugged out)! Sit back and enjoy.

Praise for authors Victoria Christopher Murray and ReShonda Tate Billingsley! Their collaboration of "Sinners & Saints" was unique in the making. Ms. Murray and Ms. Billingsley have taken two of our first ladies, Rachel Jackson Adams and Jasmine Larson Bush (county versus city, North versus South), put them together, and the fireworks started. Both Rachel and Jasmine's husbands (Lester and Hosea) pastors of a church in Houston and a church in New York, were nominated for president of the American Baptist Coalition. The Coalition is in Los Angeles, and both travel there with family and friends to compete (for their husbands sake) for the presidency. The first ladies of each church, Rachel and Jasmine are flawed character whose hearts are in the right places, but can't ever seem to stay on the right path. Their aim is to stand behind their men, but their own priorities always seem to get into their way. Their past comes to haunt them in this battle for the win. It is amazing how two authors can work so closely together to bring such a powerful, hilarious, page turner as "Sinners & Saints" to our audience. Thank you Ms. Murray and thank you Ms. Billingsley! Our book club will be waiting for another sequel of this magnitude! Claudia from: We Be Book'n Book Club

Sinners and Saints by Victoria Christopher Murry and ReShonda Tate Billingsley is a page turner from the beginning to the end. It is a great collaboration between the two writers who brings together two feisty characters that readers know and love. Sinners and Saints bring Rachel Jackson Adams and Jasmine Cox Larson Bush together in interesting ways and at times comedic ways. From the very first dirty trick to the last the reader will be caught up in the drama. Rachel and Jasmine's husbands Lester and Hosea respectively are both seeking election for the presidency of the American Baptist Coalition. They believe that if it is God's will they will get elected. Unfortunately neither Rachel nor Jasmine is comfortable leaving it up to God. Rachel believes that faith without works is dead and she plans to work hard to get Lester elected. Hosea walks in his faith where as

Jasmine prefers to work in her faith. Neither lady is above dirty tricks to get what they want. There are several other characters in the book who will keep you guessing about their intentions. How involved is Mae Francis? What does Rev. Griffiths expect to gain from the election? Why does Cecilia King wield so much power? Who will become the next president of the American Baptist Coalition? Whose team are you on Team Rachel or Team Jasmine? I loved this book. Victoria Christopher Murry and Reshonda Tate Billingsley truly out did themselves. I eagerly anticipate the next installment in the Jasmine/Rachel saga. Rachel Adams and Jasmine Bush are so much alike they shoulda been sisters. They are ruthless as all get up. There is no shame in their game. They both want the husbands to be the president of the ABC by any means necessary. I have enjoyed reading about both of these woman over the years. They are off the hook as First Ladies..... Great book written by Ms. Murray and Ms. Billingsley. Keep writing about Jasmine and Rachel. Highly recommend this book.... You will be entertained...

I've said it before and I'll say it again, "Oh what a tangled web we weave; when at first, we practice to deceive" ~ The LOVE of MONEY is the root of all EVIL - which is what this story reminded me of - Jasmine, Jasmine, girrrrl, what in the world are we going to do with you? Although, I do appreciate the sacrifice Jasmine made to protect her husband & family from the hands of evil, even though it meant risking her own reputation. I highly recommend this novel, you'll enjoy it. Great story Ms Murray, you out did yourself once again. I really enjoy reading your novels, I like how you draw your readers into the story. Happy ReadingLNichols

This was a good read lady Jasmine back in action doing whatever it takes to stay on top, I was shocked that she was not willing to let Hosea be in a position of corruption . Her family is her life, she sold herself out for her husband safety.. Rachel do not know what she has fought so hard for but I am sure these two beautiful authors are going to let us know about her heartache. I would love a sequel.
