[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • " Customer Review"Written in a very simple way but with a profound message for both adults and kids." • " Customer Review"I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • "ESLCarissa.blogspot.com"readers will emerge from this book feeling slightly more confident about themselves • "whatever their size." • "ForeWord Clarion ReviewsImportant NoticeThis Kindle book is a children's picture book - please use a device with a color display to read itThis Kindle book features magnification areas - please use the zoom function of your device to magnify the book's text (usually activated by double-tap or double-click, take a look at the help pages of your device or reading app for details)This Kindle book is designed for large displays, e.g. tablets or computers - please use a device with a large display (free Kindle reading apps and Kindle Cloud Reader are available for every major tablet and computer)Tags: World Children's Book, Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Customer Reviews

This book is very basic, and focused pretty much exclusively on 'size' words, but overall it's a great bilingual book for children or learning adults. The art style is definitely weird, but there is lots of detail, and I really enjoyed the illustrations. I just wish it was longer!

I'm new to Italy and trying to learn along with my two year old. This book is a great break from flash cards and language apps. The art is excellent with tons of detail -- we find something new with each reading.

Darling book to help one understand differences in size. Although, I am an adult, it makes the words come alive for me....and it has darling illustrations

This is a cute children's book and the story is fun. I enjoy it as much as the kids.

This might be my 8 month old's favorite book! I speak Italian and I love reading her this simple story.

I think at this age she likes the repetition and silly voices, but later she'll probably be more interested in the very cute and intricate illustrations. Giusto! Esatto!

A fun little book to practice Italian. It can be used by all ages, especially to use reading young children a nighttime story.

This book helps the children with a difficult concept- all about perspective as well as introducing the concept in Italian. The children ask for this book if they have a choice. It's great!
