The Lost Medallion: The Adventures Of Billy Stone

Synopsis

Archaeologist Dr. Michael Stone looked for the lost medallion his entire life, and now his son Billy has taken up the search. Amazingly, the medallion ends up in Billy's hands and a spontaneous wish in a precarious situation takes Billy and his best friend Allie, back 200 years to what they realize is a very different Aumakua Island. When Billy and his friends are not jumping off waterfalls, avoiding animal traps, crossing the ocean, sneaking through caves or escaping a prison they're facing their nemesis Cobra, who wants nothing more than for them all to disappear. With no other way to get home, and the well being of the entire island resting on his shoulders, Billy must discover the key to reclaiming the medallion and its tremendous power. One way or another, this adventure will change Billy, and life on the island, forever. Best-selling author and film director Alex Kendrick (The Love Dare, Courageous) and Youth for Christ veteran Bill Muir bring us this exciting novelization of The Lost Medallion movie.

Book Information

Hardcover: 240 pages

Publisher: B&H Kids (June 1, 2013)

Customer Reviews

Bill Muir holds two degrees from Moody Bible Institute in Chicago and received his M.A. from Wheaton Graduate School. He worked with Youth for Christ for more than thirty years where he served as senior vice president. Bill's love of film has led him to writing, directing, and/or producing more than ten Christian films. He lives with his wife of more than thirty years, Karen, and

their kids on a ranch in Oregon. Alex Kendrick is associate pastor of movie outreach for Sherwood Baptist Church. He is also an actor, a New York Times best-selling author (The Love Dare, The Resolution for Men), and director whose film credits include Facing the Giants, Fireproof, and Courageous. He and his wife, Christina, have six children.

My 11 year old, 6th grade son loved this book and read it in one day! In a world where social bullying is the norm in middle schools, this book is great read to remind tweens in a non-cheesy way that they are valuable because they are uniquely designed by God and have gifts and talents like nobody else. It also challenges tweens to look for those gifts and talents in others pointing out that a good and strong leader doesn't selfishly take from others, but gives of himself to others. The Lost Medallion has a great plot and storyline and enough mystery and action to keep any boy intrigued to the very end. We purchased the companion movie and it is great too....

This book was really good because it kept me on the edge of my seat, And it was very interesting. The best thing that I liked about this book was that it was kind of like a mystery, And last of all it was a good long book which is good if you like reading like me:-) You should really read It it is a very good book!!! And It is also fiction which makes it better. I know you really want to read this book! So have you read it yet????????? Guess who Sarah Lynn Sosnin Lisa's Step Daughter:-)

It was a great adventure book. My grandson and I read it together and had a hard time putting it down. It had some great lessons and he can hardly wait to see the movie. He is also anxious to read the next book in the series, as he noted on the spine of the book that it was "Book one".

Trying to find a fun book for our 9 year old son to read is tricky; he wants something like Harry Potter, we want to build a foundation for him that is based on God's Word, not magic. He was very into this book! Can't wait for more.

Students enjoy this thriller!

I love the Kendrick Bros movies and this was a fun one. It's an Indiana Jones movie for kids. It was well-acted and the plot was deliberate to send a message of unity, family, kindness and courage.

Great family movie! Lessons for kids on attitude and treating others properly, lessons for parents on

loving their children all tied together with adventure and action.

I got this book for my son and he absolutely love it. ... my son is 9 and he used it for a book report
