Customer Reviews

Sonny Eliot and Draper Hill a double play combination that'd make Abner Doubleday smile. A treasure trove of trivia, humorously illustrated, satisfying, and ideal for small talk or large cocktail parties. It's the kind of book that you'd buy to give someone you like, then change your mind and keep it yourself. All hits, no errors. --Ernie Harwell, Hall of Fame baseball announcer and author of Tuned to Baseball and other booksIt's as close to a Hat-Trick as Sonny Eliot can get. He has a flair for comedy, an ear for the obscure, and his similes are perfect. He even beat me on a one on one play. Having the talented Draper Hill as his defenseman to illustrate this interesting little slice of wonders and blunders is a heads up move the cartoons are marvelous. They both skate up ice and really score! --Gordie Howe, Mr. HockeyI assumed Sonny Eliot's book would be funny; it's also

informative and I liked it a lot. You know Sonny's funny. Well, he's also an entertaining writer. Wait till you read his explanations of how popular references and sayings came about things like son of a gun, pie in the sky, the whole nine yards. The book is fascinating. --Elmore Leonard, author of Out of Sight and Get Shorty

A charming collection of wit and wisdom from Detroit personality Sonny Eliot, fully illustrated by award-winning cartoonist Draper Hill.
