The Founding Farmers Cookbook: 100 Recipes For True Food & Drink From The Restaurant Owned By American Family Farmers

Synopsis

Take a fresh look at what you put on the table with *The Founding Farmers Cookbook: 100 Recipes for True Food & Drink*, from one of America's most popular restaurants. Take a fresh look at what you put on the table with *The Founding Farmers Cookbook: 100 Recipes for True Food & Drink*, from one of America's most popular and sustainable restaurants. Nestled in the nation's capital, Founding Farmers offers traditional homegrown fare made with fresh ingredients from family farms, ranches, and fisheries across the country. Now you can indulge in traditional American dishes such as Yankee Pot Roast, Southern Pan-Fried Chicken and Waffles, and 7-Cheese Mac & Cheese at home. Best of all, they're easy to make using fresh ingredients that are grown right here in the United States and can be found at your local farmers' market. In addition to 100 accessible farm-to-fork recipes, *The Founding Farmers Cookbook* takes you straight to the source of the foods you enjoy every day, with profiles of hardworking American purveyors from Virginia and Maryland, to North Dakota and Texas, and beyond. Keeping in line with the Founding Farmers mission to support local producers, proceeds go to a collective of family farmers, ranchers, and fishermen. With its focus on people, fresh food, and local communities, this cookbook with a mission is a must-have for anyone who wants to bring true American food and drink to their home table.

Customer Reviews

All in all, this is a useful, tantalizingly good book you'll turn to whenever you want good old-fashioned American cooking. (Cookbook Digest) Take a fresh look at what you put on the table

with 100 accessible farm-to-fork recipes from one of D.C.'s most popular and sustainable restaurants.Â (Ocean City Sentinel)

Founding Farmers is one of the country's leading restaurants to offer farm-inspired American true food and drink in a modern, casual, and eco-friendly setting. A collective of more than 42,000 American family farmers "the North Dakota Farmers Union" owns their two restaurants, which source their fresh products from family farms, ranches, and fisheries from across the United States.Â Washington D.C.-based writer Nevin Martell contributes regularly to the Washington Post Express, Washingtonian, Capitol File, Washington City Paper, Washington Flyer, Bethesda, Arlington, Cheese Connoisseur, Plate, and Restaurant Management. His online contributions include the Washington Post's All You Can Eat blog, CityEats' Plate blog, and Eater DC.

The book itself is great - the food is fabulous, and instructions are easy and simple to follow. I got the hardcover as a Christmas gift, and got myself the Kindle version, as I use most of my recipes from the iPad these days. The Kindle version is a match to the hardcover, with one huge exception: there is no table of contents in the digital version. Having to manually swipe through each of 230+ pages is MADDENING. Would be infinitely more useful Kindle book with a table of contents so that I didn't have to hunt for ten minutes to find the right recipe!

Love this restaurant in DC and the book is a lot cheaper here than buying from the place directly!!! (Even the servers will tell you how yep save a little moola by buying here!) Trust me, they are NOT hurting for it!

After enjoying a delicious meal at the restaurant in Washington, D.C., I absolutely had to have the cookbook. The chicken pot pie and Yankee pot roast recipes are terrific.

I gave this book as a Christmas gift and was an instant hero upon presentation. It helps if you have visited a Founding Farmers restaurant (which we did) and enjoyed the food. The unique menu intrigued us and the flavorful dishes delighted our palates. We forgot to ask about the cook book on the way out, but I was pleased to find it online for less. Now the task of recreating the dishes begins.

Perfect addition for the recipe book collection. Hard to reproduce the recipes, but that is expected. The restaurant is awesome.

This book is AMAZING !!! I was fortunate enough to visit the Founding Farmers restaurant in Washington DC in August 2014 and the food was outstanding. This book offers so many quality, simple but delicious recipes, a must-by for anyone who loves to cook!

I couldn't wait to purchase this cookbook, having eaten at the Founding Farmers restaurant in DC and finding their food outstanding. This cookbook did not disappoint me. Just flipping through the pages my mouth was watering. And the recipes themselves are great. These are not simple recipes, and the dishes are fabulous.

This cookbook was everything I thought it would be! I have cooked several recipes since I got it and they tasted just like the real thing - at the restaurant. I highly recommend it.
