Great crossword book for the intermediate crossworder like me. Puzzles are not so hard as to make it frustrating, but hard enough to give you a real challenge.

Great little product. It helps kill a lot of time while waiting in doctor offices.

Love these posh pocket crosswords-they are easy to carry in my purse or use while sitting in front of the tv.

I love these little puzzle books; they are hand to carry in a purse or in the car.

These little books are just the right size. Gave this one to a friend. It fits in her purse so she can have it with her while waiting for kids to pick up, doctors offices, etc. etc. She hadn't done crosswords much before, but she says she likes this little one because it is so handy and makes her think. I gave her an erasable pen with it.

Love these puzzles, vastly entertaining, easy to read, challenging, updated, just keep them coming; I'm using more than the publisher can publish (of the category I'm interested in, that is)>

I enjoyed posh pocket puzzles. I like the small size because it fits in my small bag. The print is big enough, i don't have to squint to see it. Just very enjoyable.

They are great - just like the one my son gave me for a birthday present last year. I will be ordering more.
