Vatican, Rome Tour: A Self-guided Pictorial Walking Tour (Visual Travel Tours Book 65)

Synopsis

HALF-PRICE SALE - WAS \$9.99 - LIMITED TIME OFFERPIAZZA SAN PIETRO: WHERE ROMAN HISTORIES CONVERGEA gentle stroll through the piazza reveals statues, inscriptions, and colonnades; the architectural and artistic fingerprints of time...Piazza San Pietro, or St. Peter's Square, sits at the entrance to Vatican City in Rome. Just west of the Tiber River and within a short distance of the Roman Forum and Palatine Hill, the Piazza marks a point of intersection for classical and modern Roman and European histories. Many noteworthy historical figures have left their architectural and artistic fingerprints on the Piazza's development, making this site an ideal introduction to the art and sculpture exhibited in St. Peter's Basilica and the Vatican Museums. A gentle walk through the Piazza reveals statues, inscriptions, colonnades, and other visually exciting features.AUTHOR: A world traveler from an early age, Rachel Frier has published two books and numerous articles, and has delivered lectures on medieval literature and history. Rachel works as a freelance writer and also teaches university courses. Other VTT Tours by Rachel Frier; Basilica Sancti Petri (St. Peter's Basilica)

Customer Reviews

I had high hopes for this book. Purchased it with the hopes that it would tell me about the back doors, and hidden corners to explore; tell me the best places in the gardens of the Vatican to enjoy, tell me of some obscure painting in the museum; tell me of all the wonders of the "church" that can be enjoyed. Instead what you get are very brief bits and pieces of the entrance, the basilica, and the Swiss Guard. Information that is more detailed in the most common travel book. I would recommend that you not walk, but run away from this if you are considering it in any way. Absolutely not worth the money.
