The Days Are Just Packed: A Calvin And Hobbes Collection

Synopsis

Zounds! Spaceman Spiff, Stupendous Man, the ferocious tiger Hobbes, and the rest of Calvin's riotous imagination are all included in *The Days Are Just Packed*. Calvin, the self-proclaimed "Boy of Destiny," continues to save the universe with his alter egos, Spaceman Spiff and Stupendous Man, at least until Miss Wormwood or his mother bring him back to reality. Susie, Calvin's nemesis and love interest, remains Calvin's favorite target. And when he's not recovering from a ferocious tiger attack, Calvin creates hideous snowmen, plays a moral cat-and-mouse game with Santa, conducts his infamous Dad polls, and combats the monsters under his bed.

Beautifully drawn, with hilarious and often thought-provoking text. * JERSEY EVENING POST * riotous fun. * TIME OUT * --This text refers to an out of print or unavailable edition of this title.

Bill Watterson is the creator of Calvin and Hobbes, one of the most popular and well-regarded cartoon strips of the twentieth century. Calvin and Hobbes appeared in newspapers from November 1985 until Watterson's retirement in 1995. Online: gocomics.com/calvinandhobbes/

I love Calvin & Hobbes, and wanted to get the Kindle Version. However the content seems to have been merely scanned in. It has NO formatting to adapt to a Kindle Reader on a Nexus 7 or iPad.

You cannot zoom into the pages to make them legible.

Why I purchased: I used to reread the same Calvin and Hobbes book when I was a child, after I found it at my grandma's house. When I first remembered of my childhood delights of reading Calvin and Hobbes, I decided that I would have to order any book in that series. This was my second book that I purchased and I still enjoy these comics as much as I did as a child. What I love: I love how this book is so high quality! I won't go into too much detail of the contents of the book because Calvin and Hobbes are amazing comics. If you wish to start your child off with comics, and don't want to worry about inappropriate content, this is perfect! The vocabulary is high for a six-year-old character, but that's what taught me new words back then, after I got tired of not knowing what some of the jokes meant. This is the same book that you could pay extra money for at Barnes and Noble. It's super richly bound and prepared to last a life time. What I don't love: I love everything! Conclusion: If you don't want to spend so much at Barnes and Noble and you want to get something clean for your child to read, and still learn from, then Calvin and Hobbes should be your go to! These books are high quality with timeless content. If you read these as a kid, just buy them again! Reread them because it's like reading them new each time you go around. I totally recommend this purchase for new and old readers of Calvin and Hobbes.

Funny, intelligent, and heart-warming; the adventures that Calvin and Hobbes have together are classic. Like the digital editions of _Homicidal Psycho Jungle Cat_ and _Attack of the Deranged Mutant Killer Monster Snow Goons_, this one has the ability to zoom and pan on the pages. This highly-appreciated feature allows one to fully experience the details of one of the best comics ever created, particularly with the more dense and lush full-color Sunday edition panels. There are a few strips that are "duplicates" between the other three books I've read and reviewed (_The Essential Calvin and Hobbes_, _Homicidal Psycho Jungle Cat_, and _Attack of the Deranged Mutant Killer Monster Snow Goons_), but with treasures such as this, that's not entirely unexpected and the "duplicates" are still funny. ;) I do still wish one could bookmark favorite strips for easy revisit later, but that's my only quibble. Overall, an excellent, highly-recommended digital volume.

The clearest and funniest reconstruction of what it was like to be a boy growing up, wandering the countryside, and seeking the treasures that are everywhere. I remember when exploration was the greatest game, when a cardboard box was a tank or a submarine, and digging was done for fun. So does Bill Watterson. Best Strip Ever!

Calvin and Hobbes is great! Fantastic book

I have been collecting Calvin and Hobbes stuff most of my life. I was the um... Girl counterpart, dinosaurs and all. As I have trouble holding books these last years, having the opportunity to reread them via Kindle is a blessing. I used to reread my collection every winter and now I can again. The Days Are Just Packed...with water balloon battles, sled riding philosophical discussions, snow "art" exhibits, dinosaurs, and tiger tummies.

This was a gift to my grandson. He needed a push to start reading more. This book really helped.

It is Calvin and Hobbes...need I say more?
