Age Range: 6 - 10 years

Grade Level: Preschool - 4

Customer Reviews

These stencil books are probably hands down THE best bargain on . I bought 9 of them for painting onesies at a baby shower. So much more cost effective than other stencils I considered. Stencils are done on thick stock paper and there wasn't one design that was at all disappointing. Would buy time and time again.

Stencils work great and are fun to use during the holidays. What I missed in the description was the size of the snowflake stencils. I thought the size would be like the vintage stencils I have that are slightly over 8.5 x 11 inches. I would recommend these when small stencils are wanted.

All of these little stencil books really are awesome. They are soooo inexpensive and my 6 year old

uses them ALL the time. They are really worth it. Happy

This is a nice assortment of 3-4" Christmas snowflakes. We used them to make T-shirts, and used each a couple of times. They held up to a seven year old blobbing on paint, and two adults also using them. I wiped off the paint each time one was used, and it was good to go for another round. I was able to keep the entire set for future use, so I'm very pleased for an item that cost just over a buck.

So cute! I wish they were a little bigger. They come in a little book...perforated so you can just snap them out. Each pattern is done on lightweight, shiny cardboard.

These come like a book with cardboard type pages. the entire thing is about 3" x 4" so the stencils are about 3" each, I believe there are about 8 total. They are inexpensive but not much to them.

Too small for what I thought it was. I thought they'd be bigger for using with that sprayable snow but they are itty bitty and result in lots of over spray

stencils are fine but would not recommend using with the new glass wax
