Customer Reviews

The first historic guide to the oldest colonial city in the United States, this book surveys Santa Fe's distinct architectural styles and historic districts, tracing the architectural evolution of the region and its ethnic cultures. It features over 180 vintage and contemporary photographs and highlights information on art galleries, museums, markets and lodgings and restaurants.

National Trust guides are the most in-depth guides to the history and architecture of U.S. cities ever published. From famous landmarks to little-known places, this fascinating guide takes you on an exciting journey through Santa Fe's cultural, historical, and architectural treasures. 50 walking tours and nearby day trips in and around Santa Fe 50 historic lodgings and traditional Santa Fe "style" restaurants 180 vintage and contemporary photographs 80 historical prints and paintings Glossary of Santa Fe architectural terms

The architecture of Santa Fe is amazing. We wandered the back streets just enjoying the incredible forms it took. This book gave us the history of Santa Fe architecture, information about particular buildings, and made us feel like more than mere looky-loo tourists. Now, after the trip, I look at it to relive the beautiful sights! We burned out on shopping the first day and enjoying architecture provided us with exercise and entertainment! I definitely recommend the book -- I would have given it 5 stars, if it had had color photos!
