Sacred Vision Oracle Cards

Synopsis

From the bestselling author of *The Power Deck*, Lynn V. Andrews returns with an advanced, gorgeously rendered deck of oracle cards for the modern world. Lynn V. Andrews has been helping her students heal, build self-confidence, and claim their power for over a quarter of a century. After years of pleas from her fans, Lynn has finally created a new deck: *Sacred Vision Oracle Cards*. This deck will take you on the next step toward finding balance in life. Each card includes an image of a painting by noted Native American artist Robert Taylor that embodies the prayer written on the opposite side that will awaken a vision or wisdom within you to help you achieve your own truth and harmony with life.

Customer Reviews

Lynn Andrews has studied with shamanic women on four continents for more than thirty years. She shares her ancient teachings in more than twenty books, including the *Medicine Woman* series, which includes New York Times bestsellers *Medicine Woman* and *Jaguar Woman*. Her books have been translated into fourteen languages and she speaks at conferences throughout the world. Robert Taylor's philosophy of art is a synthesis of the wisest teachings of the various cultures of his Blackfeet, Cherokee Crow, Osage, Scottish, and Black Dutch ancestors. He manipulates proportion, plays with distortion, and uses symbolism that gives his paintings an almost dreamlike quality. His art has been exhibited at museums and galleries throughout the United States, including the Cherokee National Museum, the Trail of Tears State Park Gallery, the Red Earth Festival, and

the Smithsonian Institute.
