Customer Reviews

Fiesta Nachos! Â 1/2 lbs.Â ground beef 1 t. chili powder 1 t. cumin 1/2 c. onion, chopped 10 oz. bag tortilla chips 2 cups shredded Cheddar cheese 1/2 c. tomato, chopped 1/4 c. black olives, chopped Garnish: salsa, sour cream and guacamole Â Crumble ground beef in a skillet. Add seasonings and chopped onion and stir well. Cook beef and onion over medium heat until no pink remains and onions are soft. Drain using a colander. Layer tortilla chips, seasoned beef and cheese in an ungreased casserole dish. Add tomato and olives. Repeat until all ingredients are used. Bake at 375 degrees for 10 to 20 minutes, or until cheese is melted. Serve warm with salsa, sour cream and guacamole.

"Don’t tell my sister, but there’s no toad in the Toad in the Hole" Brian Hollis, age 8 Â "You’ll want to like the bowl and the spoon and your fingers and double-dip the bananas when you make Tropical Whip Fruit Dip but don’t double-dip because that’s icky." Lindy Devlin, age 6 Â "Can really, really old people like Grammas eat Little Squirt pancakes?" Emily Harris, age 4

Your kids will love it.....I love it! Colorful, easy fun recipes with easy wipe spiral pages that lay flat. Buy a set of measuring spoons to go with the book and a promise to add tools as they progress and you have a great gift that keeps on giving!

My daughter and I love using this book to cook and bake together. Everything we have made has been delicious so far and easy for her to help with.

Recipes are a bit simplistic, but ok for starting kids out in the kitchen. Pages are very sturdy and attractive to young readers.

Too many sweets and not enough for the kids to do

It’s a great recipe book for kids who like to cook.

This is perfect for my seven year old who has recently shown an interest in cooking. There are clear pictures with each ingredient that help with his reading and the recipes are simple enough for him. The pages are similar to a board book and easy to wipe clean. They also lay flat with each recipe taking up two pages. I am excited to see what he makes!

My daughter has loved cooking meals and of course I love it too!

I have the complete set of these books now and I enjoy every one of them.
