Chloe's Education

Chloe's Education

By JJ Argus

Synopsis

What really thrilled Chloe was how Kara and her mother acted as if it were real and not a game. She knew it was just a wicked, kinky, thrilling game, of course, pretending to be Kara's submissive in training, pretending that Kara was her 'mistress', and even letting Kara's mother help train her! It was outrageous and often shocking, but the heat and passion were too incredible to turn back! But now... now she was starting to wonder if they thought it was real! And what if it was!? The thought was scary, and yet it made her body thrum like a tuning fork with the wild dark energy inside her!

Definitely a yes if looking to read adult material. The first one started slow and I almost gave up... but it finally picked up and the second one is really good and I haven't gotten to the third one yet
