I purchased this book for one of my niece's girls as a gift; she had been looking for this type of a book and will turn 13 this year. She has told me she likes the book when I ask, but she called me recently to tell me that a recently read topic in the book had really helped her at school that day. I'm pleased that she has found this book to be useful in her life!

My daughter requested this book. How can a dad say no to a girl who wants to draw nearer to God?

Gift to a young woman. Seemed to be well received

I love this book!!! I touches on many CURRENT issues that ALL tweens/teens will encounter on their discovery to finding themselves and how to deal with others!!! Great for Parent/Child solutions, Sister/Sibling relationships, School interactions, and major life decisions!!! I am so happy I purchased this for my 10 year old and I will purchase it for my 7 year old when she is of age as well!!!A must have!!!

Wonderful book for young teens; my four discipleship girls really learned from it.

I bought this for a young friend in my church, she enjoyed it

Perfect gift for a young woman
