Chosen By Darkness: Reverse Harem (A Ravana Clan Vampire Serial Book 1)

Synopsis

All my life I've never fit in. Since the accident, I went from foster home to foster home until I just ran away. I thought life would always be like that. Scraping by, barely living. That is, until I was chosen. The Ravanas saved me. They brought me to The Fort so I could become a part of their world. Wanted. Secure. Training to be their human guardian is the only way they could let me in. Now, I just have to prove myself. Chosen By Darkness is a reverse harem serial with one spunky badass and four delicious vampires. The next episode will release within two weeks. In October, I will bundle the serials into one full novel. If you prefer to read novels, please wait until then.

Customer Reviews

I think this is going to be a very interesting serial. Humans are charged with guarding vampires. There's a whole training camp for this and most people in the camp have been born and raised just for this reason. Our main character is the exception. She's been chosen by the Ravana's. I really enjoyed this first part and can't wait for the next one. And YES this is a SERIAL! DO NOT READ IT IF YOU DON'T WANT TO READ SERIALS!! It clearly says it will be released together as a whole in

October so wait until then.

I have to admit some parts made me angry for our main character, but I think we're supposed to be. It's very much a beginning and I've read part two (Great!) so read the setup to get to the good stuff.

Why are authors only giving us short stories??? What is up with these books coming out that are not books but just a few chapters then the authors expect us to wait for more and spend more money on them? The story was ok and could be interesting just don't like how short it was. Write a book/novel not short stories. If that is what I wanted then that is what I would search and get.

I really love RH books and this one was a good addition to my shelves. It is a serial so it was short, but still good and I look forward to reading the next installments. The main character was likeable. She was determined and didn't totally freak out when thrown into the world of vampires, which is admirable. The princes seem like good characters but we don't learn much about them in this first installment, so I look forward to learning more about them as the serial progresses.

This first installment was really good! I can't wait to learn more about this work and get deeper into the relationship between the princes and our MC!

The story is very well written. I don't feel that back story has been skipped or glossed over like in some serials or that this story missed tons of editing. I can't wait for the next part.
