## **Customer Reviews**

Being a Cleveland-er all my life, I thought I knew my City inside-and-out! It was refreshing to hear about some hidden gems that I have yet to experience! Hopefully the author considers a yearly

update to the book too! Cleveland is such a fantastic place to live; it's so great that someone has documented many of the things that make it so wonderful! I also like how the "things" are well-spread across the various neighborhoods and interests... it makes me want to try some things outside of my normal "comfort zone"!

Pretty good, some of these items have 3-5 things listed under the 1 item and I think there are a number of things in and around Cleveland that aren't included unfortunately. It did provide a lot of new things to check out that I otherwise would not have known about.

There's so much to do in Cleveland; you just have to look for it! Bless Nikki Delamotte for telling everyone where to go to find all of Cleveland's treasures! Natives and newcomers alike will benefit tremendously from owning this book.

I can't wait to work my way through all 100 things to do.
