Fascinating tidbits about the history and operation of Walt Disney World. -- Bookwatch, "The Travel Shelf," November 2006
Mongello loves Disney and he loves trivia, and it shows in his newly-released "Walt Disney World Trivia Book, Volume 2. -- Scott Powers in The Orlando Sentinel on July 12, 2006
You'll learn something new reading this book, and you'll have a lot of fun learning it. -- Paul Schnebelen, FantasyLine EXPRESS, August/September 2006

Lou writes in an easily understandable manner with questions meant to enhance your knowledge of Walt Disney World and his personality comes across very well in his writing style. This book serves well as a way to test your current knowledge of the parks as well as teach you new trivia to be used with family and friends while at home, or to enhance your experience while at the parks.

This is a fun question and answer book, but some of the answers leave you looking for more information. Things at Disney change so rapidly that some of the information is a little dated. I enjoyed it very much and had fun seeing if I knew the answer before I flipped to the answer section. I was surprised many times and knew a lot less than I thought I did. I liked the book well enough to

also purchase the next volume, so I think you will have fun with it also.

Lou Mongello is absolutely FANTASTIC! This book is INCREDIBLE! The GREATEST trivia collection for a Walt Disney World fan! As a former cast member, and a Disney Heritage (Disney College Program) graduate, even I learned so much from going through it! Thanks Lou!

Lou's passion for Disney comes through in this must have Walt Disney World trivia book. His detailed knowledge of Walt Disney World is unbelievable. You will learn a lot from this book. I highly recommend this book as well as his Volume 1 Walt Disney Trivia Book.

This book, and its companion volume 1, has provided hours and hours of fun and informative pleasure. The questions truly test one's memory and imagination, while learning interesting tidbits of WDW.

We got this book prior to a trip to Disney. It was great knowing these fun facts while visiting the parks.

This a great book, Looking foward to using it when we travel by car to Walt Disney 9-30. My boys are older 18 and 16 is this is way to keep us all young and excited about traveling. Gonna keep a score and use Disney money for points. I was so excited to get the book we already did a couple and I love the fun facts too.

We bought the first addition a couple of weeks ago and had to have this one also. It is full of fun interesting facts on Disney World and there is enough info in it that we can read it now and take it on our trip in 10 months and it will still be interesting. Thanks for a great fun book!!!
