Manhattan GMAT Flashcards (Manhattan Prep GMAT Strategy Guides)

Synopsis

Why Manhattan GMAT Flash Cards? * Developed by our Instructors, who have scored in the 99th percentile on the GMAT * Focused on application of concepts, NOT memorization * Organized by topic and tied to Manhattan GMAT's curriculum * Varied difficulty level, ranging from easy to challenging These flash cards have been developed by Manhattan GMAT's expert Instructors to provide you with a useful tool to study for the GMAT on the go. Each card was developed to pass a "no writing" test – with a little thought, you should be able to do any of them in your head. Like the Manhattan GMAT curriculum, these flash cards emphasize learning real content over simple memorization. Each card tests your knowledge by providing you not only with a detailed explanation of the question, but also the GMAT-specific concept tested in the question. These flashcards are also available to download for free at our website, www.manhattangmat.com.

Customer Reviews

These are the best flashcards available on the market today. They are also available as an App on iPhone and as a PDF download from MGMT's website (both are free). You will get 185 flashcards (that's 185 questions/concepts and 185 explanations; they have 2 sides). However, the cover says

202 - perhaps I missed something (?)Flash Cards by Category:-Number Properties 30- Fractions, Decimals, Percents 20- Equations Inequalities & VICS 26- Word Translations 26- Geometry 28- SC 55BB, GMAT 750Founder of GMAT Club

They are available for free on the site.
