Most of the minecraft diaries are pretty short, but this book is long and fascinating! If you ask me to choose the top three minecraft diary books, then this series will be included. But I keep wondering how this will end. Or maybe steve might find an end portal. But before that, I think he has to train a lot. Anyway what I wanted to say is ... I love this series. p.s if you haven't got this book, go get it now.

I liked it because it was more adventurous+ it had a lot of combatI think that it was awesomeFrom
minecraft fun This is the number 1 wimpy steve so far

Another hit! This series just keeps getting better and better. Keep them coming!

Great, Awesome, Wonderful

Diary of a wimpy and future development of a wimpy villager book and future of love you soon after a to get the gym now I'm just gonna have no problem I will get a amusement b there were two years ago and future generations of a wimpy kid in my head of a to build.

Minecrafty Family has done it again! The overall awesomness of this series is astounding. For all you aspiring fanfiction writers out there, a few tips:1. Don't write about being trapped in Minecraft. Although it may seem like a good idea, it's not. All the good slots have been taken, and yours will be dismissed as unoriginal.2. Include pictures. Thus my seem like a no-brainer, but pics can make or break a book. For extra points, have color pics.3. Be funny and descriptive. Being funny always gives you good marks, and descriptive sections are major, especially in combat situations. (Miner Bro, I'm talking to you!)Well, I realize that this hasn't really been about the book, so I'll leave a few good points. I love the fact that each world has a new house that's always fun to explore! Also, the charm of Wimpy Steve's animal friends is very sweet! (i.e. Moo) Lastly, Steve is slowly not becoming a noob, although he still remains very focused on food ;). Okay,time to wrap up! Keep calm, stay safe, and mine obsidian carefully!-Cpt. Facepalm

When reading the books, I always anticipate what is coming next! Packed with all of the adventures that you would find playing the game, only in book form! Anyone who loves playing the game will enjoy reading the books. I cant wait until the next book comes out to see what kind of trouble Steve will get into this time. I will be so sad when the series ends, but can't wait until Steve gets home! - Sara R. B.
