Easy Steps To Chinese Textbook 4 (English And Chinese Edition)

Synopsis

This textbook teaches young children the Chinese language with a focus on the development of speaking and writing skills. It is designed for both primary and secondary school students who are taking Chinese exams, or for those students starting to learn Chinese on their own. Upon completing this series, students will acquire a vocabulary of about 1,600 Chinese characters, and develop confidence in using Chinese to communicate either orally or in written form.
