35 pounds later....Great Book. Has changed my life and the outcome of Diabetes. 10 years ago I was told by a doctor I was pre-diabetic. Knowing that several family members's lives had been taken by diabetes, i bought this book and completly changed my life. I just performed an A1C exam and I am no where near diabetic or pre diabetic stages. I have taken all sugars and breads out of my life. (here and there some exeptions and limited quantities). I have bought 3 of this copies for my sibilings in hope to produce a positive impact in their struggle with diabetes related symptoms.16 kilos despues....Muy buen libro. Cambio mi vida completamente asi como el resultado de la Diabetis. Hace 10 anos uno de mis docotres me dijo que era pre-diabetico. Ya esta enfermedad se habia llevado a varios de mis familiares (fallecidos). Compre el libro y cambio mi vida. Acabo de hacerme al examen A1C y los resultados de glucosa no estan remotamente cercanos a diagnosticar pre diabetis o la enfermedad en si. He abandonado azucares y panes con algunas excepciones limitadas. Compre este libro para mis hermanos con las esperanzas de ayudarles a cambiar sus vidas con los problemas que la diabetes trae. Comprelo.
