Dreamlight Trilogy CD Collection: Fired Up, Burning Lamp, Midnight Crystal

Synopsis

Fired Up (Krentz): More than three centuries ago, Nicholas Winters irrevocably altered his genetic makeup in an obsession-fueled competition with alchemist and Arcane Society founder Sylvester Jones. Jack Winters, descendant of Nicholas, has been experiencing nightmares and blackouts—just the beginning, he believes, of the manifestation of the Winters family curse. The legend says that he must find the Burning Lamp or risk turning into a monster. But he can't do it alone; he needs the help of a woman with the talent to read the lamp's dreamlight. Jack is convinced that private investigator Chloe Harper is that woman.

Burning Lamp (Quick): Plagued by hallucinations and nightmares, the notorious crime lord Griffin Winters is convinced he has been struck with the Winters Curse. But even as he arranges a meeting with the mysterious Adelaide Pyne, he has no idea how closely their fates are bound, for she holds the missing lamp in her possession.

Midnight Crystal (Castle): Adam Winters is convinced his recent nightmares and hallucinations will lead to him becoming a psychic rogue—unless he can find a stolen relic and a woman who can read dreamlight. Marlowe Jones rides into his life on a motorcycle and with a dust bunny at her side. Though a descendant of the rival Arcane family, she's just what Adam needs: a psychic private investigator and dreamlight reader extraordinaire.

Customer Reviews

Jayne Ann Krentz is the author of fifty New York Times bestsellers. She has written contemporary

romantic suspense novels under that name, as well as futuristic and historical romance novels under the pseudonyms Jayne Castle and Amanda Quick, respectively. She lives in Seattle.

There was not enough action in these books. Too much explanation on a complicated premise that did not have enough character interaction.

I enjoyed the series!

I always have been a fan of Jayne Ann. I like them all.

The books in this series have an all too predictable pattern - independent woman is seduced by mysterious man with compatible "psychic powers" that render their lovemaking spectacular; dangerous activities involving psychic powers ensue, ending in a tidy manner, usually with marriage between the protagonists.
