Quick, easy, delicious comfort foods. Very few ingredients needed. Ingredients are pictured next to the recipe, So easy to follow. Not a lot of prep time for any of these recipes, minimal amount of pots pans and mixing bowls to wash. One of only two cookbooks that I ever actually referred to. The others just collect dust.

Great recipes.book like new

Purchased this book for ideas, despite the meat and cheese recipes. It will be interesting to see what I may substitute for healthier ingredients to achieve similar results.

Good book, good recipes.
