# A Vampire's Mate: Creature Of Habit (Book 3)

## Synopsis

The extraordinary conclusion to an epic, three-part story! Amelia's world grows dark as her life and love hangs in the balance. Despite the consequences, she has made her choice, and now must help the Palmers fight to find Olivia, who has been abducted by Caleb. Even if she can find the missing piece of the vampire's narcissistic game, the damage may be irrevocable. Each member handles the fallout differently; Elijah is a wreck, Sebastian has gone missing, and Grant is on the warpath. New challenges face them, especially Grant and Amelia, as they struggle with their new journey; one that will either tie them together for eternity, or rip the whole family apart.

## Customer Reviews

An excellent and thrilling conclusion to this saga. Excellent characters. Some that are down right creepy and crazy, others you just can't help but love. Thank you Angel Lawson for bringing your characters to life and sharing them with the world. 5 Kick-ass Immortal stars! I recommend it to all!!

I can only say this...this series was so worth the money to buy. The challenge were off the charts. Action always on the go. Barely any slow parts. The only thing I can think of is all three books really need to be sold altogether!

I loved this series!!!

The original fan fiction version is one of my favorites but I really enjoyed this published version. Especially book 3 is so much different than the original version. It was a great read and is now one of my new favorites.

I liked this series enough to read all the books in it. Strong characters, well developed and a good story.

Great read!

Excellent trilogy! So much fun to read with characters you truly care about and with lots of romance, humor and suspense!

This book, and the two that go along with it, we're so hard to put down!! I read all night!!!
