Eternal Covenant (Living Covenant Trilogy Book 3)

Synopsis

Is happily ever after finally here? The wedding is coming! The wedding is coming! Zoe Lake and Aric Winters are ready to say "I do." They've fought sphinxes, witches, and monster hunters – and all they want now is peace. Unfortunately, that's not so easy to find. When the wedding planners – and warring mothers – descend on their happy home, Aric and Zoe are plunged into a world they never expected. Zoe doesn't desire a white dress, and she certainly doesn't want a champagne fountain, but her wishes are pushed aside to make way for the people who want to make a showcase out of her special day. Nothing is simple in Zoe and Aric's world, and that includes the new threat – which looks very much like an old one. The most powerful mage in the Midwest is a coveted commodity. Everyone wants her power, but only one man wants her love. Aric and Zoe aren't afraid of a fight, but the one pressing down on them is something they never expected. Can Zoe wage a war without giving up the only thing she's ever truly wanted? Can one happy couple put old demons to rest and walk down an aisle littered with past mistakes and regret? And, more importantly, can destiny really exert a powerful hand and let happily ever after be a reality? It's time for Zoe and Aric to make the ultimate pledge – no matter what evil force opts to stand in their way.

Customer Reviews

I sincerely hope that this isn't the end of Aric and Zoe's adventures! I absolutely loved this book. To see Aric and Zoe happy was the greatest!!!

Hands down one of my favorite set of characters! I have laughed and cried and I love Aric and Zoe and their families and friends. Amanda M. Lee is an awesome writer and I can't wait for more!

This is a great book. Zoe, and Aric are perfect together. Since it says this is a trilogy, I assume this is the last book. But oh I hope there are more. I have loved this whole series. Zoe is so mouthy and hilarious. Her self centered nature is cringe worthy sometimes, but that's what makes her her. Loved the ending and why I hope there are more books to come based on these characters. I think a next trilogy would be the best one yet.

I love that the story of Zoe and Aric continued in this trilogy. I am going to miss these characters.

Great book, but I find myself getting ahead of the story line in my head because there have been so many branch off's from the original college days. But I will always read Amanda's books....

Another great story and laughs all around. Absolutely love this author and everything she writes. I recommend this book, series, and author to everyone who loves to read.

I totally loved all the books in the Zoe Lake group and would tell anyone who wants entertained to read them.

I hate to see these series end :(These were some of the best books I've read in awhile in a paranormal series.
