The Amish Canning Cookbook: Plain And Simple Living At Its Homemade Best

Synopsis

From the author of *The Homestyle Amish Kitchen Cookbook* comes a great new collection of recipes, hints, and Plain wisdom for everyone who loves the idea of preserving fresh, wholesome foods. Whether instructing a beginning canner or helping a seasoned cook hone her skills, certified Master Food Preserver Georgia Varozza shows people how to get the very best out of their food. Here, readers will find a short history of canning, lists of all the tools and supplies needed to get started, basic instructions for safe canning, recipes for canning fruit, vegetables, meat, soups, sauces, and more, guidelines for adapting recipes to fit personal tastes. With its expert advice and warm tones, *The Amish Canning Cookbook* will become a beloved companion to those who love the tradition, frugality, and homestyle flavor of Amish cooking!

Customer Reviews

Georgia Varozza, author of the popular *Homestyle Amish Kitchen Cookbook* (more than 70,000 copies sold), enjoys teaching people how to prepare and preserve healthy foods, live simply, and get the most from what they have. She works in publishing and lives in a small Oregon community. www.georgiainandsimple.blogspot.com

Although I am hoping for the best I was a bit discouraged as a brand new canner because the very first recipe I made which was the Dill Pickles has a major typo in it. The instructions never mention anything about the salt. It wasn't until after everything was jarred up and put in the canner that my friend and I realized that the ingredient list does call for salt, but they never tell you what to do with

it, as newbies we have no idea, so we had to reopen our jars, sprinkle some salt on top and hope for the best. We almost missed it to say the least. I am hoping to have better experiences with other recipes. I Also hope they read this review and fix the problem because new canners like myself will not know and should not be expected to know, they will just follow the recipe exactly as written and may end up with tasteless results

This book makes a great addition to your canning library. The recipes are right on as far as amounts and are really easy to follow!

yes a very good cook book ,, well worth the price ,,, great book

Nice book. Very informative and full of great recipes.

Loads of information to safely can your food stuffs

Wasnt as great as I thought it would be

This cookbook is okay. I was disappointed that the author is not Amish. As best as I can tell, she lived near some Mennonite people for a short time and I assume this is where her Amish expertise comes from. My favorite part of the book is some pointers on how to be successful with Tattler lids.

This wonderful, convenient sized book has a nice to read layout and is full of delicious sounding recipes. As soon as I got it, I started thumbing through it and wished that I had post-it page flags with me to start marking all of the great recipes I was finding. Glad I own it! The directions are clear and concise. Its a great companion to my Ball canning books. I recommend it.
