## Customer Reviews

This book is for the person who will accompany you (on piano) on your solo. Bought along with the Concert and Contest Collection (Solo Bb Clarinet). If you are not having someone play the piano alongside you on your solo, you do not need this book!

The late Jaime Voxman did generations of clarinetists a great favor by compiling this series of solos.

I've used this collection in my teaching for many years.

This book is an excellent collection of accompaniments for high quality solo pieces for intermediate-advanced high school students. There is a good range of difficult level, and the pieces are from the standard clarinet repertoire, although nothing is written for A clarinet, which many high school students wouldn't own.

Necessary piano accompaniments for contest pieces for clarinet.

arrived quickly! Perfect !

Great book for any college student looking for a piano part or accompanist!!

This book is only with piano accompaniment. There is no music sheet just for clarinet. Be careful what you are buying.
