Customer Reviews

Well-printed music, easy to read, very clear. But is missing one crescendo. This was the exact work of four movements I was looking for.

This edition edited by Paul Harvey has added slurs that are not in the original part. You are better off to buy the Durand edition or the Henle Urtext as these are more representative of what Saint-Saëns wrote.

Love it :)

this is a great book

This was in great condition, everything was great but the price was just a little bit high! Otherwise it was great!!

This edition has been cleaned up a bit. Print is larger and some slurs have been added to make some technical sections easier. Clean edition.

Music was as advertised and easy to use. Thought the clarinet part had not been included because it was between the pages of the piano score.

i love it so much, fast and in time, This bread product is by far the best bread product I have ever owned! As a former Chef, kitchen tools are very important to me. I have an extensive collection of products and am always looking for the best tools. This is not only an excellent bread product, at a good price but a beautiful design and feels great in my hand. It is sharp and effective. I am so happy with it I bought two and have put it on my gift giving list for years to come. If you enjoy great kitchen tools this product should not be missed! very kind and the best seller. suit for this price .
