The Trumpet Of The Swan

Synopsis

The delightful classic by E. B. White, author of *Charlotte's Web* and *Stuart Little*, about overcoming obstacles and the joy of music. This edition features Fred Marcellino's gorgeous illustrations in full color! Like the rest of his family, Louis is a trumpeter swan. But unlike his four brothers and sisters, Louis can't trumpet joyfully. In fact, he can't even make a sound. And since he can't trumpet his love, the beautiful swan Serena pays absolutely no attention to him. Louis tries everything he can think of to win Serena's affection—he even goes to school to learn to read and write. But nothing seems to work. Then his father steals him a real brass trumpet. Is a musical instrument the key to winning Louis his love?"We, and our children, are lucky to have this book." —John Updike --This text refers to the Audio Cassette edition.

Best Sellers Rank: #134 in Books > Audible Audiobooks > Children's Books > Animals #155 in Books > Audible Audiobooks > Children's Books > Classics #1178 in Books > Audible Audiobooks > Children's Books > Fiction

Customer Reviews

If you love *Stuart Little* and *Charlotte's web* you're going to like this one too.

This book was required summer reading and it arrived quickly from .

great book to read to the kids they love it

No issues

Read to my granddaughter. She loved it.

E.B.White has a knack for teaching children about an animal and still weaving an interested story to be cherished for years to come. The Trumpet of the Swan is extremely informative about Trumpeter Swans, how they live and what they're like, etc; but is also a cute love story about the long journey of a talented, mute, swan while he strives to make a life for himself. It was easy to compare it to Charlotte's Web, which also teaches kids about spiders and other animals but is still a great story.

This book was awesome! It was funny too. There were some bad parts in this book I was skeptical at first,

There is a little girl, the daughter of a friend, and every Christmas I give her a book. On the first page it has become customary I write something to her and God forbid should I forget it as I did one year. She had her Mom bring the book back to me so I could write my usual in it. Seriously. I tend to buy her one of the classics with the best artwork inside I can find as I consider that almost as important as the words, especially for the younger kids. I have been gratified how happy over the years this has made her...and me by turning a child onto the love of reading.
