Nice calendar but the pictures take up more space than the calendar months do and spill over into the calendar page. I wanted this calendar to hang in my office. I had to buy another one as the

months weren't as large as I would have liked.

It's everything I was looking for in a calendar! Moon phases, Wiccan holidays and American holiday. And the art work is so beautiful!! Beautiful enough to frame and hang up when I'm done with the calendar. Very happy with this purchase. I came on time and in great shape.

Gorgeous! Does not disappoint !

love this- thank you

Been getting these for years
