Customer Reviews

There are some really great exercises for improving the mental game of archery! I am impressed with them and thankful to the author for sharing them.

Great information and things I haven't thought about.

This book give you a deeper insight of consistent accurate archery

Gets the concept across.

Very good I'll try the thing he sujusted

Book has very little to do with archery. You could literally plug any subject in to what is said. Didn't like it at all.

Great tips and tricks. Can't wait to put them to use! Highly recommend this book to any and all aspiring archers.
