Book by Outerbridge, David, Sleeping Bear

I have been a FAN of Miss Hollins for years! I finally I get to hear about her fearless adventures during the roaring 20's and how she made her way in a man's world through many of sport and play.

Excellent read, Marion Hollins was an extraordinary person.

Amazing life I wish I could met Marion at any time in her life I know this book will be enjoyed by many

Marion Hollins' life story is an amazing series of accomplishments, crowned by her design work at Cypress Point and Pasatiempo Golf Clubs. This is a 'must read' for Central Coast people who want to learn more about how Marion's dedication and determination influenced the formation of Pebble Beach and Pasatiempo during the '20s and '30s. Her tragic ending at an early age leaves the reader wondering what more she could have accomplished had she lived a bit longer.

Marion Hollins is by far one of the most accomplished persons in American history. Her story is

motivating and incredible. For anyone who doubts their ability to succeed, this is a must read.
