47 Amazing Things To See And Do In Colombia

Synopsis

From Neil Bennion, author of *Dancing Feat*, comes this all-new quick guide to Colombia. Detailed guides are great. But when you're putting together your rough itinerary, you don't always need up-to-the-minute peso prices, opening hours on public holidays and the nicknames of all the local bus drivers. Sometimes you just want a quick heads up, so you know what's what. This is that guide. To the point - quickly get up to speed on what Colombia has to offer. Humorous - the author's light-hearted humour makes this a breezy read. Variety - everything from swimming in mud volcanoes to relaxing on secluded beaches. Maps - put all the experiences into geographical context. Digested history - provides perspective without getting boring. Get the low-down on Colombia in a single sitting!

Customer Reviews

Hilarious, effective, enjoyable and great advice. A great example of excellent, personal, content curation and advice in the era of information overload.

was for a friend moving to columbia as a parting gift! Came in excellent condition and she loved it!

Great read

I think it was free or cheap. Not a whole lot you couldn't find in the internet. But not a waste of time to look at.

Will be useful for my 10 days plus in that area. Interesting read..

Limited information

Good for price.

Not a good introduction to the country. OK for a few tips.
