Great little book to reference all the time. I love it and use it daily.

Very informative. Thank you

great book!

Excellent !!!

A nice concise guide to color theory. Good starting point and a nice reference book to keep in the library.

Love this little book on Colour. It's full of easy to understand theory on colour and creative exercises.

The book is exactly what is necessary for my intentions. It is doubtful that there is another that will guide my course.

Excellent little book on Colour Theory packed with information! Makes something I've viewed as esoteric easily understandable. Thank you, Patti! Book came on time and as promised.
