Customer Reviews

"Serious Daring is serious and it challenges, but puts forth an invitation to write that is student-focused."--Martha Petry, Jackson College "A refreshingly honest and pragmatic approach to teaching Creative Writing."--Michelle Weisman, College of the Ozarks "Serious Daring eases the beginning creative writer into the writing craft. Roney writes as the students' advocate as she guides them through the topics and techniques that Creative Writing instructors value most."--Aaron Clark, Brookhaven College

Lisa Roney is Associate Professor of Creative Writing at the University of Central Florida.

Clean product. Pretty pricey but it's a textbook so I'm not surprised. Got here fast. Love prime!

thanks

Terrible stories, had to buy this garbage for class.

Those teaching college-level creative writing workshops: I can't express enough how pleased I am with the textbook, *SERIOUS DARING*, by Lisa Claire Roney. Smart, succinct, and au courant, it contains a balanced array of anthology selections along with craft instruction, plus sections on "Reading Like a Writer," "How Writers Make a Living," "Looking Ahead in Academia," "The Changing Publishing World," etc. Roney's discussion of practical career matters along with craft makes this a must for today's up-and-coming writers, not to mention a terrific value. This is the textbook I've long been searching for, and a creative writing textbook that doesn't address these concerns in a post-MFA-exploded world is sorely remiss. I predict we'll be talking about "the Roney book" for years to come.
