Customer Reviews

Save your money! This book is useless. It describes 100 attractions in Newport, Rhode Island, each on a single page, in huge type, on newsprint paper, with absolutely no helpful detail whatsoever. See my photo for an example of one of the entries. That's literally all you get. I feel like a fool for falling for this rip off. In the days of bricks and mortar bookshops, this would never have ended up in my basket. Learn from my mistake. You will be much better off simply reviewing the Newport attractions for free on trip advisor. Either that, or buy a real travel book (from a reputable travel publisher) that includes Newport.

not what I'd thought. Kind of silly
