Athens Travel Guide - 3-Day Highlights Tour Itinerary

Synopsis

Athens 3-Day Highlights Tour Itinerary Athens is the city of history. Wherever you walk you will feel the historic importance of its monument and the living history of the locals themes and traditions. It is one of the oldest capitals in the World. In this itinerary you will find info about Athens World famous monuments but also some lesser known places from the Middle age and modern years. Birthplace of Democracy, theatre, architecture, Athens is the place where you would follow the footsteps of Socrates, Platon and Aristotle. Nowadays a modern metropolis vivid and alive that never sleeps. Hosting an endless variety of galleries, hotels, bars and restaurants. It is a city that will amaze you for its glorious past but furthermore for its potential present.== Sights & places you'll see with this itinerary == * Acropolis monuments * Ancient agora and surroundings * Archaeological pedestrian paths and directions. * Hills of Athens * Museums of Athens * Gazi nightlife * Presidential guards at Syntagma square * Panathenaikon Olympic Stadium * Presidential Palace * Ermou shopping Street * Plaka old historical neighborhood * Enjoy the famous Greek cuisine in some of the best restaurants and taverns and much more!== What does the itinerary include == * Maps and walking directions for each place you will visit * Tips for hotels, restaurants, cafes, bars, transportation, tickets. * My contact information for any additional help or advice you will need. * Information and details about Athens beach coast (other places to visit). * Numerous pictures to help you know what not to miss== Itinerary Table of Contents == * About the Author -- Information about myself and how to contact me if you have additional questions. * The 3-day highlights itinerary -- I provide a detailed itinerary with activities, times and specific instructions. * Transportation Tips on getting around Athens * Restaurants -- General recommendations on finding great places to eat * Other Places to See -- If you've got extra time in Athens, I highlight and recommend different areas that didn't make the cut into the 3-day itinerary.== Why you should buy this Guide instead of another? == * All the information is current and updated. * Suggestions, tips, and the itinerary was made by a local who lives in the city. * In this itinerary you will go to locals places, beyond the tourist traps. * Includes suggestions for places and locations ideal for photography. * Save time and go to the places worth seeing and doing.== Who is this guide for? == * The first or second time visitor of Athens who wants to receive experiences and knowledge from its travel. * People who enjoy walking around a city Let me show you my city and guide you through this itinerary to the places that make Athens unique. Wish you a great city break to Athens! Have a great time!

Customer Reviews

I had one day in Athens in September 2012 before hopping on a cruise ship. Since it is such a large city I was so worried about not being able to hit the must see items in such a short time. While that was true, this book was an invaluable resource in figuring out what we absolutely had to see. The timelines, maps, and information was incredibly helpful in making sure we could see as much as possible but still allotting the correct amount of time. I wish we had more time in Athens, but at least we were able to make a dent with the help of this guide.

I thought that the English was poor and at first felt that I had spent my money on a poor quality book. It was good enough really for the three days that I spent in Athens. We did not need to use the metro but followed almost all the ideas otherwise. We visited the cafe chocolate, as recommended by the writer and found that it was overpriced and expensive, we paid almost 10 euro for a small slice of chocolate cake. The cake was lovely but not special!! Actually I felt that we saw a lot, but the author's obvious love of Athens and Greece appealed to me more than the guide book itself!

The Kindle version is very convenient and has given us many ideas of how to spend our time in

Athens. The real test of course will be when we actually are in the city and using the guide as we explore the city. It is great to have such a resource in such a convenient form.

Great book! The ultimate tool for 3 days or less in Athens. You follow all the recommendations and your trip in Athens will be unforgettable.!

Easy read. Very helpful.

As someone who speaks no Greek and has never been to Greece before, I found this Athens tour itinerary priceless. I was in Athens for a week, and used this itinerary to find the best places to eat and the top places to visit. The guide itself feels long at 76 pages, but once you start reading it, it's a quick read, with lots of maps and pictures to guide you around the city. The guide covers all the major attractions of Athens (and there are a lot of them!). Piece of advice... only eat food from the recommended restaurants in this guide! I love Greek food, but all the places I ate at seemed to be serving bad food - that's because all the tourist places don't seem to care if they impress you. Once I started obeying the recommendations from this itinerary, my entire holiday changed - the restaurant and food recommendations are delicious! The author of this travel guide owns a tour company - he is easy to contact, and obviously an expert on the city. If you want a guided tour of Athens, be sure to get in touch with him while you are there. Content - 5/5 Presentation: 5/5 Ease of Use - 5/5 Value - 5/5 Overall - 5/5

We have spent 4 days in Athens in August 2012, the first time I explored the city. I was very pleased with this itinerary. It was such a timesaver, compared when you have to work on a suitable itinerary yourself. Very handy were the several maps, it was easy to follow the directions. The allowed time at each site was perfect, and the information was accurate. We found the insider tips priceless! There were so many places and suggestions in this guide we would never have found just reading the guidebooks. Even details as subway prices and transportation suggestions on getting down town were up to date. The writer lives in Athens and is very knowledgeable about the city. His e-mail address is included, and you are welcome to contact him with any question. I will not hesitate to recommend this itinerary to any friend planning to visit Athens. Happy travels!

Wonderful guide to a great city! So much great advice- I've been to Athens many times (still have so much to see!) and the itinerary here sounds like the perfect trip. The new Acropolis museum is

amazing , restaurants are spot on. I'll choose to disagree with a previous reviewer about Chocolate-yes, it is expensive, but the desserts are to die for. I wish I had had this guide for my first trip.
