On the run from the murderer of her best friends, missionary Gracie Benson is all alone in Siberia. Customer Reviews

Susan May Warren is a FANTASTIC writer! This story is full of action, suspense, murder, and a bit of romance. I loved how the author wove the struggles of being a missionary into this story. Daily missionaries have to trust God for their safety, their provisions, and their purpose. Gracie was struggling with all of this. It's hard to imagine what else could go wrong in the last few days Gracie

had in Russia, but it just seems to keep going and going. Who can she trust? Will she leave without making a difference in anyone's life? In walks the FSB, can she trust them to keep her safe or are they the ones out to get her? This book will keep you on the edge of your seat! Great book!

In Sheep's Clothing is such a tremendous story. The suspense and romantic parts will keep you engaged, but it's the spiritual part of the story that wraps it around your heart and leaves you refreshed with a smiling, "Amen." Thank you, Ms. Warren.

Get ready to RUN... Literally and figuratively through this book! You will be racing through the pages, as the characters & their story leap to life, on the run to save not only their lives but others. A fantastic, romantic thriller that does not disappoint! My only regret is that the story came to an end... I can only hope to see more of Gracie and Viktor in the rest of the series. If you are looking for a thrilling adventure story that has some sweet romance, and encouraging faith/truth scattered through out then this is a story for you! Just be prepared to pick it up and be unable to put it down, with book 2 handy as soon as you finish!

good suspense with no horror sci fi. Keeps you glued to the book. Has a good salvation message. Like a spy novel but not a spy novel.

You will love this book! Susan May Warren writes a great suspense story, zipping you along with powerful word choices and electric, tension-filled dialogue. When her heroine, American missionary Gracie Benson, meets Viktor Shubnikov, a kind-hearted, down-on-his-luck KGB agent, the story becomes a snowball barreling downhill, grabbing your heart and making you feel like you are in Siberia right along with them, running for your life from a serial killer. It's also a wonderful love story. It's so good you will want to read it again, more slowly the second time!

I enjoyed this book and will read more books by this author.
