Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Beautiful arrangements.

These are good arrangements of popular songs, very simple (quarters and eights). I'm not thrilled that the songs are not true solos, though. Every piece requires the CD track be played, because there are gaping holes in the songs. What is played by the trombonist is often more accompaniment than solo. I was hoping for a collection of stand-alone pieces for solo performance. Unfortunately that does not seem to be an option anywhere!
