Customer Reviews

Received copy 1. First page is page 3, last page is page 1,. Returned. Replacement copy is same misprint. Ordeal with customer support trying to prove what I received was bad. They wanted a photo - no camera available for me. I bet there is a warehouse somewhere filled with these, Do not order this unless you feel there is a market for collectible misprints. I will tear out the pages and fix it, but what a hassle for 3,99.

This edition is just a cheaply made pamphlet. I feel ripped off and I spent less than \$4 for it. That should tell you all you need to know. Additionally, poorly packaged this and my copy was in mediocre condition upon receipt. Any pianist would be better served either downloading a free version, or spending a little more for something nicer. Alfred's edition is simply not up to snuff.
