Customer Reviews

The book is straightforward and informative. Clear and logical sections and the images help break up the text. Angela Davies, De Montfort University, UK

Ingrid Johnson is a Full Professor at the Fashion Institute of Technology (FIT), US. Ajoy Sarkar is an Associate Professor of Textile Development and Marketing at the Fashion Institute of Technology (FIT), US. Allen C. Cohen was a Professor at the Fashion Institute of Technology (FIT), US.

My only complaint about this book is that it's a three ring binder and the pages can tear out easily if you don't handle it with care. I expected it to be reinforced with some type of plastic coating where the holes are. A couple of pages have already torn out which I used hole reinforcements to put them back together.

Expensive but a very good book! Everything came gr8
