The Constitution - A Revolutionary Story: The Historically Accurate And Decidedly Entertaining Owner's Manual

Synopsis

These days, the debate over what's constitutional and what isn't is a daily war of words. Most of those talking heads on TV know less about the Constitution than the chemical composition of spackle. Constitutionally challenged? This simple (and fun) owner's manual will help you become constitutionally aware in no time. The Constitution is chock full of weird words like "attainder" but that's OK, we'll explain. Hint: attainder is not a foot condition. Historically accurate, yet entertaining, we'll teach you what you need to know but with 137% less boredom.
